**CHANGE OF STATUS FROM SMALL ENTITY  
TO LARGE ENTITY AND PAYMENT OF DEFICIENCY FEES**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, Virginia 22313-1450

Dear Sir:

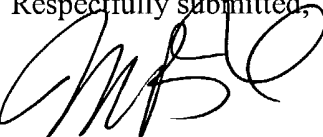

Applicants request a change of status from small entity to large entity for the above-identified matter. Applicants paid a large entity basic filing fee of \$770.00 when the application was filed on November 17, 2003; however the Application Data Sheet contained an error which stated that the application was entitled to small entity status. Applicants also paid a large entity surcharge of \$130.00 with the Response to Missing Parts on July 13, 2004. As a result of Applicants' inadvertent error on the Application Data Sheet, the Patent and Trademark Office

subsequently credited Applicants' representatives' deposit account with the overpayment of the filing fees (\$385.00) and surcharge (\$65.00) for a total of \$450.00.

Applicants submit herewith a Supplemental Application Data Sheet correcting the entity status from small entity to large entity. Applicants also submit a check for \$450.00 which is the deficiency due for the basic filing fee (\$385.00) and surcharge (\$65.00) for a large entity.

If the Commissioner of Patents and Trademarks determines that any other fees or deficiencies are occasioned by this error in the entity status of the application, the Commissioner is hereby authorized to deduct said fees from Fulbright & Jaworski Deposit Account No. 50-1212/SONN:043US.

Applicants respectfully request that the status of this application be changed from small entity to large entity and that the deficiency fees submitted herewith be applied to the application.

Respectfully submitted,
